episode 1

I'll explain

Hayate's lover Reinforce transferred schools to America to study linguistics. Because of that, she split up with Hayate.

Eeeeeek!!

That's not a face a person who's congratulating me should make!

Con-grat-u-la-tions...

That's true, but I'm grieving right now!

Maybe I'd even follow her there...!

If it were me, I wouldn't split up with Nanaha if she went overseas!

I'm not sure if you're rubbing salt in my wound or are just making it deeper... Are you trying to pick a fight with me...?

Hayate went crazy!

Jeez! I'm going to clobber you Fate-chan!

JUMP!

This is super sudden, but what part about Fate do you love the most?

Wonderful for the both of us? (lol) Thanks though

EH?

Yes! That's right!

What part of her do I love the most?

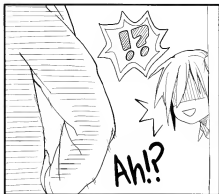

her face, I guess?

SHOCKED

The part I love most..

EHEHE,
THANKS.

GOOD

episode 2

Beep

There's
something
I realized
recently.

she won't say
that she loves
me in return.

Even when I
told Nanoha
that I love
her...

She loves my
face... Well, I
suppose I'm
glad to hear
it...

Once before,
she said that
she loves my
face the
most.

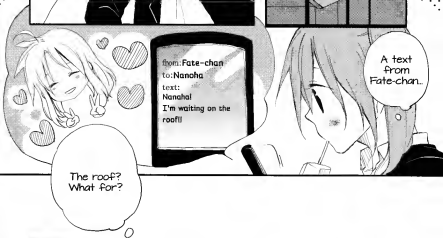

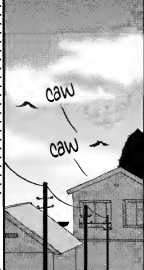

SOB

would
Nanoha
and L...

But then
what if I
didn't look
like this any
more...

DEPRESSED

Hm fine..

Hayate-chan!!
I'm sorry!!
Fate-chan
dragged you
into this
nonsense!!

I got ignored?!!
Nanoha!!
You're ignoring
me!?!?!?!?

I don't think
it's good to get
Hayate-chan
involved in your
crazy antics,
Fate-chan

Uhm.. what's
going on?

Ah..

haa..
(sighing)

She
sighed!

"What's
going
on?"
Well

sigh

Okay! I got it!
I'll go on home..

Nanoha

Ah

I think this is going
to take some time,
so could you get
Suzuka-chan and
Arisa-chan and..

Hayate-
chan, I'm
very sorry
about this.

Okay!
See you
tomorrow

It's okay,
don't
worry.

Bye bye,
Hayate-chaan!!

Is it possible that

Afterword

Hello, I am Yuika of 'nocohica', good day!

Thank you for purchasing this book! It ended up being 28 pages this time around! It's bigger than the last volume, so that pleases me the most! I also got a job offer while I was working on the manuscript!

The setting was based around school life, with Signum as a physical education teacher and Shamal as a nurse. It ended without either of them appearing very much, that's too bad! If I get another chance I would like to draw more!

I hope you enjoyed reading "Loving you Too much"!

By the way, the title comes from Berryz Workshop! I've fallen for Hello! Project recently!
